

**Michelle Lunn HOPE Charity Golf  
Outing 2011 - 4th Annual**

*Please join us and make a difference.*

Our goal is to raise funds needed to help in the fight of blood cancers. Proceeds from this event will benefit the Michelle Lunn Hope Foundation as well as the Leukemia & Lymphoma Society (LLS) to help to fund research to cure leukemia, lymphoma and myeloma, and improve the quality of life of patients and their families.

This outing is in memory of Michelle Lunn who at the young age of 22 lost her fight with (ALL) Leukemia July 21, 2007, as well as all others who have died or are currently battling blood cancer.

**Some Blood Cancer Facts:**

- Every four minutes someone is diagnosed with blood cancer. Every ten minutes, someone dies of a blood cancer.
- Leukemia causes more deaths among children under the age of 20 than any other cancer.
- More than 957,902 people in the US are currently battling a blood cancer.
- An estimated 628,415 people living in the US will be diagnosed with lymphoma in 2011.
- In 2010 20,180 were diagnosed with myeloma. Myeloma survival rate is just 33.5% .

You can deliver the hope that future generations will not have to endure cancer threatening the lives of their friends and family. You have the power to fight back against diseases that affects millions.
